

**Motor Rewind Consultation Group**  
**Minutes of Meeting**  
**Held on 27 March 2009, at Telarc SAI Auckland**

**Present:** John Freeman (Chair), Amanda Hunt, Simon Mantle, Ken Grey, Bruce Gore and David Priestley

**Apologies:** Nil

**Draft code development**

EASA Standard AR100-2006 was reviewed in detail. Aspects of the code considered to be mandatory are to be included into the body of the code as technical requirements. The second draft of the code will be distributed to the group for review prior to the next meeting.

Upon agreement of the content and some fine tuning, the code will be then put out for wider industry consultation.

**Next Meeting**

To be arranged once feedback on second draft reviewed.
