## Rule change 74 – 2009/2010 System Operator policy statement

The final 2009/2010 System Operator policy statement, recommended by the Commission, has been approved by the Minister of Energy and Resources, and will come into effect on 1 September 2009.

A *Gazette* notice for making the necessary rule changes, together with the wording of the new policy statement (to replace the current policy statement set out in schedule C4 of part C of the Rules), are available at:

- <http://www.electricitycommission.govt.nz/rulesandregs/rulechanges>
- 

## Timetables agreed

On 14 July 2009, the Commission and Transpower agreed on timetables for consultation and approval of the Redclyffe 220/110kV Interconnection investment proposal and the Bombay Bus Security investment proposal.

The timetable for the Redclyffe 220/110kV Interconnection investment proposal is available at:

- <http://www.electricitycommission.govt.nz/opdev/transmis/gup/2008GUP/redclyffe-intercon>

The timetable for the Bombay Bus Security investment proposal is available at:

- <http://www.electricitycommission.govt.nz/opdev/transmis/gup/2008GUP/bombay#resubmission>
- 

## Information system definition review

The Commission has updated the Information System Definition to incorporate changes necessitated by the System Operator's Market Systems Project (MSP).

An updated version, including a tracked changes version, is available at:

- <http://www.electricitycommission.govt.nz/rulesandregs/index.html>
- 

## Market Administrator compliance report

The Market Administrator monthly compliance report for June 2009 is available at:

- <http://www.electricitycommission.govt.nz/opdev/servprovinfo/ma-report/index.html>
