

Recommended Action

27. We recommend you:

- a **note** the recommended rule change makes the following amendments, as attached in Appendix 3:
 - i adds a new rule 6.1A to schedule G6;
 - ii revokes rule 3.27A of section V of part G;
 - iii makes consequential changes to part A; and
 - iv makes very minor consequential amendments to part G section III and to parts H and J of the Rules.
- b **note** that the Commission has consulted on the proposed rule amendments and submitters were in agreement with the rule change; and
- c **authorise** the making of the Electricity Governance Amendment Rules (No.75) 2009 by publishing the notice attached as Appendix 2 in the *Gazette* no later than 30 July 2009.
